Dear friends;

Greetings in the name of the risen Lord Jesus Christ.

All of us here in the Ethiopian Evangelical Church Mekane Yesus still carry with us you request for support and prayer.

Although we were not able to immediately respond to your requests in the way you expected, we have been praying and still will continue to pray for God's intervention to guide and lead you in such a difficult situation where God's church totally failed to abide with the authoritative, authentic, and infallible word of God in the name of human rights inter preting the Bible to live according to their contexts.

Dear friends;

God's word cannot be compromised in the name of contexts. The word of God is above all contexts. It changes contexts. It cannot be change by contexts. We will continue to pray for you and for your ministry as you continue to be faithful to God and engage in God's mission.

With regards,

Wakseyeam Idossa
President EECMY
